

LANDMARK® PRO MAX DEF COASTAL BLUE

VIBRANT, DURABLE SHINGLES
IN AN ALLURING NEW COLOR

*Landmark PRO, shown in
Max Def Coastal Blue*

Homeowners who want to bask in the pleasures of a beach vacation year-round have a gorgeous new color option when choosing the ideal roof. With a vivid blend of blue and gray granules, **Max Def Coastal Blue** is at once breezy and luxurious — like the picturesque seaside towns that inspired it.

Those who seize every opportunity to enjoy life and create new memories will appreciate this fresh new shade. Experience the trusted performance and durability of Landmark PRO in a color you'll want to sail away with.

The Depth and Dimension of Max Def

With our Max Def color palette, a richer mixture of surface granules adds new, eye-catching dimension to shingles. The unique gradient blend of Max Def Coastal Blue was developed by researching hundreds of different pigments. Carefully placed, color-coated granules bring more dramatic depth to the natural wood shake aesthetic of Landmark PRO.
